

object

```
graph BT; SoloAbstract[robot_properties_solo.config.SoloAbstract] --> object[object];
```

A diagram illustrating a class hierarchy. At the bottom is a gray rectangular box with a black border containing the text "robot\_properties\_solo.config.SoloAbstract". A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box with a gray border at the top, which contains the text "object".

robot\_properties\_solo.config.
