

blmc\_drivers::DeviceInterface

```
classDiagram
    class LegInterface["blmc_drivers::LegInterface"]
    class DeviceInterface["blmc_drivers::DeviceInterface"]
    LegInterface --|> DeviceInterface
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'blmc\_drivers::LegInterface'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'blmc\_drivers::DeviceInterface'. This indicates that 'blmc\_drivers::LegInterface' inherits from 'blmc\_drivers::DeviceInterface'.
