

blmc_drivers::DeviceInterface

```
classDiagram
    class blmc_drivers_LegInterface["blmc_drivers::LegInterface"]
    class blmc_drivers_DeviceInterface["blmc_drivers::DeviceInterface"]
    blmc_drivers_LegInterface --|> blmc_drivers_DeviceInterface
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'blmc_drivers::LegInterface'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'blmc_drivers::DeviceInterface'. This indicates that 'blmc_drivers::LegInterface' inherits from or implements 'blmc_drivers::DeviceInterface'.
